

OUR MDVI CHILDREN NEED YOUR HELP!

The Covid19 pandemic has impacted the world – physically, emotionally and financially – and the families of our MDVI children have seen the worst of it.

With 92% of our parents from low income groups – vegetable/fruit vendors, autorickshaw drivers, plumbers and other tradesmen – their incomes have been decimated during the long lock down

Low income is now **No Income**

And it is our MDVI Children who are impacted the most. Living in small rooms with large families, their basic needs are not being met – not enough food, no money for medication, special education and therapies stopped.

But Muskan has created a 'new normal' – kickstarting programs remotely so that parents can take charge of their child's development.

Taking Action

1. Providing Virtual Services to MDVI children and their parents.

- Special Education:** Muskan's special educators are conducting online classes and providing 1:1 online services to the children.
- Multiple Therapies:** Muskan's therapists are continuing to provide therapy exercises and activities for parents, teaching them to perform the therapies on their children at home.
- Counselling:** Muskan is providing counselling sessions online to all our parents by a professional counsellor, to help ease the emotional stress.

2. Financial Relief:

To lessen the financial burden, Muskan is providing financial relief of Rs.1000 per month to 45 MDVI families from low income groups.

3. In House Training:

Muskan is conducting in house training sessions in Special Education where our teachers are taught techniques and strategies to enhance their skills.

4. COVID19 Prevention:

Muskan is educating parents about safety measures to take in fighting against COVID-19.

HOW YOU CAN HELP?

- Sponsoring the livelihood of below poverty line family at just ₹ 1000 per family per month
- Sponsor a Child's Monthly Education at ₹ 5000 per month
- Sponsor an MDVI Child's Monthly Therapy at ₹ 4800 per month
- Provide a Counselling session to MDVI Parents at ₹ 500 per session
