

MUSKAN FOUNDATION FOR PEOPLE WITH MULTIPLE DISABILITIES

MONTHLY NEWSLETTER

September 2020 Edition

Our Vision

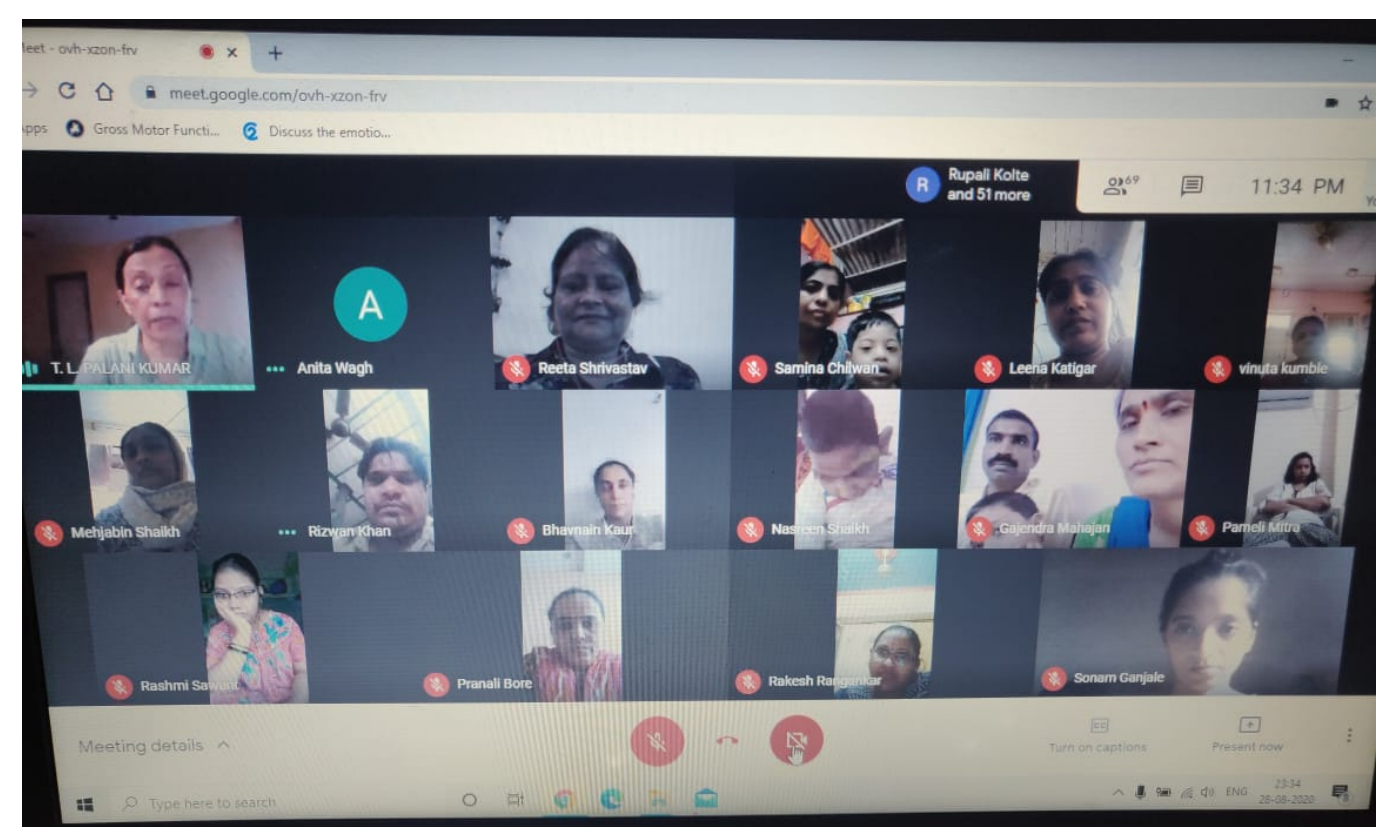

Children with MDVI participate and are recognized in their families and communities, and realize their own unique abilities in life.

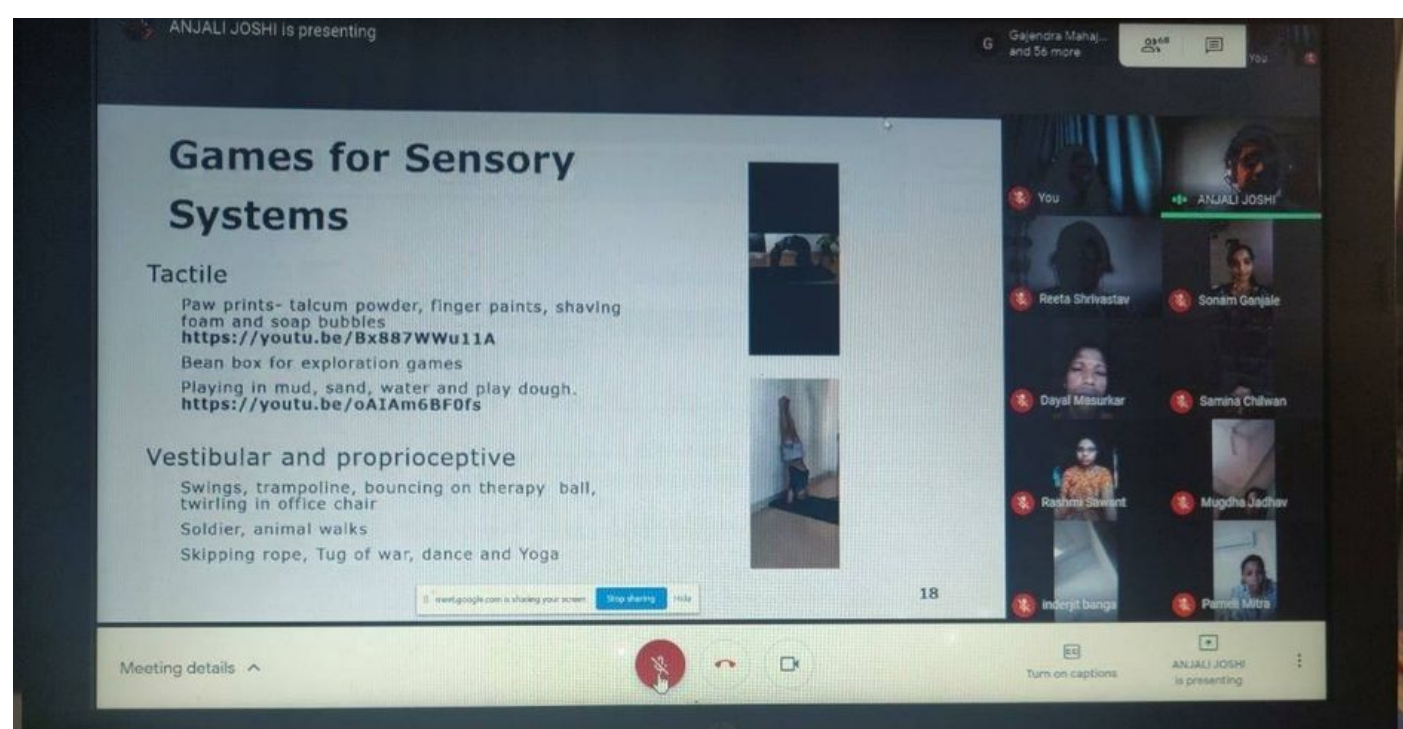

Our Mission

Muskan maximizes the potential of MDVI children, by providing customized, low cost therapies and special education under one roof; and by empowering parents with the knowledge, skills and confidence to support their child's unique needs and development.

NEWS & UPDATE

In Muskan, our programs are aimed not only to develop the child with multiple disability but also to empower their parents with right knowledge and support. Hence under Muskan Association for Parents and Professionals (MAPP), we conducted a webinar on "Importance of correct feeding and breathing patterns for speech development in children with multiple disabilities" by renowned Speech Therapist Asha Kumar. Our parents really appreciated Muskan for conducting such a informative and interactive webinar.

Under Muskan Association for Parents and Professional (MAPP), we conducted a webinar on "Sensory Integration/behavioural Issues" by renowned Occupational Therapist Dr. Anjali Joshi on 12th September 2020. The webinar was attended by more than sixty Parents along with our Special Educators and therapist wherein they received practical knowledge and ideas to work on their child's behaviour.

The number of disabilities in the area of vision is growing and not much information is readily available on vision problems in Cerebral Palsy. Therefore to get an expert opinion on vision problems in Cerebral Palsy, our Founder-Director Mrs Dipti Gandhi, renowned Low Vision Consultant and renowned Ophthalmologist Dr Usha Johari were called as a faculty speaker in the webinar organised by Shishu Sarothi supported by Indian Academy of Cerebral Palsy

Bethany Society in collaboration with Meghalaya State Government supported by Sense International India organized State level Training on Deafblindness. Our Founder-Director Mrs. Dipti Gandhi, a low vision consultant was one of the faculty member. She spoke on Identification and Early Intervention in children with multiple disabilities which is important as timely intervention will make up for 95 percent loss in the of combination of hearing and visual impairment due to deafblindness.

HELP US CHANGE A STORY

- The pandemic has caused many parents of our programs to lose their source of livelihood.
- As many belong from low-income groups, they are struggling to meet the ends. In spite of this, they have to pay for expensive anticonvulsant medications, doctor's visits and manage their rations.
- Muskan Foundation needs your support to continue to help our Children with Multiple Disabilities and their families.
- You can support Special Education Program of 100 children with multiple disabilities by Sponsoring a Child's Monthly Education Program at Rs 5000 or Monthly Therapy Sponsorship at Rs 4500.
- You can help by Sponsoring the livelihood of below poverty line families at just Rs. 1000 per family.
- We provide a livelihood to 100 below poverty line families every month
- You can also Sponsor Counselling session at Rs. 500 per session as these sessions provides emotional guidance to 116 parents in these difficult times.
